

COLLEGE MINISTRY PROGRAM

Currently, Department of Christian Education of Midwestern Metropolitanate is in the process of developing a College Ministry Program on the National level for our Serbian Orthodox Church. Therefore, our Church is asked to submit to the Department of Christian Education a list of all college students from our two parishes.

This program is very important for the future of our Church and for our youth here in the United States. Since our Church does not keep a record of its College Students, we kindly ask from you, if you know of any of our children, studying at this point of time, to provide our office with their names, College addresses, home addresses, phone numbers, E-mail addresses, and other contact information.

You may fill out this form and send it back to us in the return envelope included in the package; also, you may call us at (313) 893-6025, or send E-mail to dcnivan@ravanica.com
